

Motto

Personalizing Education for Student Success

Vision

To provide unique educational opportunities nurturing far-reaching success for students

Mission Statement

CORE Schools, in order to foster the educational pursuits of our K-12 students in rural Northern California, utilizes the independent study/personalized learning approach: supporting development through choice of curriculum aligned with state standards, engaging parents along with students in learning, and offering classes at our centers and within the community, with the goal that students will demonstrate measurable academic growth in addition to the social skills necessary for their future success.

Sample Vertical Group Agenda

- I. Purpose of CSI and Verticals reminder and share out (3 min)**
 - A. Fostering relationships
 - B. Sharing information
 - C. Sharing concerns with constructive feedback
 - D. Helping the Director team, intervention team, and support staff to know where to focus our energy and time
 - E. CSI is not to complain or share personnel issues, it should be constructive and progressive
 - F. If there are specific complaints, they should be addressed with the appropriate Director or the ED.
- II. Develop guidelines and expectations of your group, norms (15 min)**
- III. Affirmations- Something positive to share from each member of your group (10 min)**
- IV. Discussion (20 min):**
 - A. Please share areas of concern that you have as we begin the building process and the move process. The facilities team, Board of Directors, and Director team work hard to ensure we are making the best possible decisions going forward with the information that we have. Please share items here that you'd like to be sure we are considering going forward.
 - B. Specific areas that you wish we would focus on for training this year.
- V. Anything that you'd like to bring back to the group for further discussion or review? (15 min)**
