## APLUS+ Network Conference 2022 Overview

Welcome to our 19<sup>th</sup> annual APLUS+ Network Conference 2022! Our APLUS+ Network conference and annual theme last year was **"Personalized Learning: Hope for a Brighter Future"**. We had miraculously survived yet another extreme attack by our adversaries against the very heart and foundation of our Personalized Learning model. Beyond merely hope, our theme was an affirmation that, standing united to remain steadfast in our commitment to serving all students in Personalized Learning programs that are firmly rooted in integrity, transparency, accountability, and academic excellence, would yield positive results and that we may all look forward to a better and more promising future.

**Personalized Learning  
PUBLIC Charter Schools  
put STUDENTS FIRST!**

Our dedication and commitment to serving our students, our schools, and our Personalized Learning model and movement have yielded tremendous rewards and very positive, encouraging and hopeful results. According to our latest APLUS+ network statewide data, our Personalized Learning students have demonstrated significant positive growth results on statewide indicators during the past two years in both ELA and Math, compared to similar students in traditional public schools who suffered significant learning losses in both ELA and Math. Congratulations! Let us celebrate together our data achievement successes within our Personalized Learning model and movement.

In celebration of our individual and collective achievements during this unprecedented pandemic and the extreme life challenges it has presented, our 2022 APLUS+ Network Conference theme is: **"Personalized Learning: Guiding Education Success in Challenging Times"**. Why have Personalized Learning public charter school students succeeded so well during the pandemic where so many students in traditional, more rigid, classroom-only public school models have suffered alarming learning losses? The key to our success is rooted in the Personalized Learning model's inherent flexibility and adaptability, not only to pivot successfully to the needs and interests of individual students, but as we have demonstrated throughout the pandemic, to readily and effectively adapt to unforeseen changing external circumstances.

**Personalized Learning**  
Offers Choice & Flexibility  
For ALL Students

**Personalized Learning  
IS  
What Education Should Be  
for 21st Century Students**

Parents in growing numbers are becoming enlightened to the need for and benefits of a more flexible and student-centered education delivery model like Personalized Learning for their children. Given the heightened social challenges we are enduring through the pandemic and beyond, parents seek to play a much more active role in their children's education, as well as wanting to ensure for their children a more safe environment and engaging education experience. As the positive and enthusiastic word spreads as to the benefits of our Personalized Learning model, more parents are choosing to leave the more rigid, traditional classroom-only model. APLUS+ member schools and our Personalized Learning model are pioneering the path to what high quality and flexible education delivery should be in the 21<sup>st</sup> century for a growing number of students, particularly for those students for whom a rigid, conformity-based, system-centric model is not a match for their success.

### Who Attends APLUS+ Network Conferences?

We estimate that our 2022 conference will welcome between 300-400 attendees. Typically, APLUS+ Network conferences attract a high percentage of both educational and administrative decision-makers who are either on the leading edge of providing an innovative, Personalized Learning model for their students, or who are interested in developing a Personalized Learning model for their schools. The majority of our attendees represent California public charter schools that are classified as "nonclassroom-based, independent study" type charter schools.

In addition, our 2022 APLUS+ Conference will accommodate up to 30 exhibitors or more. Our exhibitors are typically comprised of APLUS+ Preferred Partners and affiliates that provide a wide variety of educational, back-office, and consulting products and services that enhance and support our member schools in their Personalized Learning mission and vision.

## APLUS+ Conference 2022 Receptions, Mission Bay Paradise Dinner Cruise & Bon Voyage Farewell Drawing

Our APLUS+ Conference 2022 Wednesday evening kick-off welcome reception will take place on the beach of Mission Bay immediately following our afternoon intensive workshops and will feature tasty hors d'oeuvres and drinks in an idyllic setting! As is our tradition, APLUS+ will treat you to your first beverage to help jump-start your reception experience. Our kick-off reception offers a great opportunity for us all to wind down and relax after our first conference day as we watch the beautiful sun setting on the Pacific Ocean horizon.

Heralded back in 2019 as one of the most successful and memorable Thursday evening receptions we have ever offered during our nearly two decades of APLUS+ Network conferences, our Conference 2022 Thursday evening reception will once again feature a two-hour Mission Bay cruise on the awe-inspiring William D. Evans Sternwheeler. Included in our signature reception for your evening enjoyment will be a one-hour open bar and an elegant buffet dinner. Savor this two-hour journey through paradise with your APLUS+ Network friends and colleagues to follow a full day of professional development and networking! Bringing your husband, wife, partner or significant other to the conference? You can sign them up separately in advance to join you for this romantic and memorable evening cruise as well (adults only). For attendees that wish to make an advance reservation for a significant other, please contact APLUS+ directly (jeff@theaplus.org) to make a separate reservation and payment by credit card only at a cost of \$179 per person. Subject to space availability!

**PLEASE NOTE:** Due to the sternwheeler's limited capacity and the hotel's advance food ordering deadline requirements, we are only able to accept reservations and payments for significant others in advance of the conference. These reservations are available only for significant others accompanying conference attendees.

FINAL DEADLINE TO MAKE SEPARATE RESERVATIONS FOR A SIGNIFICANT OTHER IS **FRIDAY, OCTOBER 7<sup>th</sup>, 2022!**

On Friday morning, following our morning breakout sessions, we will once again bid our conference attendees a fond farewell with our ever popular, signature Bon Voyage "Have Your Cake & Eat It Too" Farewell Reception and Drawing.
